

# Literature and URL's concerning MAR-Issues

This list is compiled ad hoc, whenever I encounter references or URL's concerning the hypothesis of matter-antimatter repulsion. It is far from complete but will be updated whenever new entries come to my knowledge.

M. M. Nieto, T. Goldmann, Phys. Rep. 205, 221-281 (1991)

Mark Kowitt, International J. Theoretical Physics, 35, 605-631 (1996)

G. Chardin, Hyperfine Interactions 109, 83-94 (1997)
